Confirmed July 26, 1900.

Department of Public Works,

Office of the Board, Room No. 2, City Hall;

Fort Wayne, Indiana, March 1, 1900:

WIDENING OF BEGUE STREET:

Declaratory Resolution No. 63; 1900:

Resolved by the Board of Public Works of the city of Fort Wayne, Indiana, that it is desired and deemed necessary to widen Begue street in the city of Fort Wayne, Allen County and State of Indiana, from Liberty street to the first alley south of Liberty street . Said street when widened to have a uniform width of 50 feet. Said street to be widened by condemning and appropriating for street purposes a piece of land described as follows, to-wit:

Commencing at the southwest corner of Liberty and Begue street streets, thence west 17 feet, thence south 145 feet, thence east 17 feet thence north 145 feet to the place of beginning.

All as shown by the plan ~~shown~~ proposed widening of BEGUE street above described now on file in the office of the Board of Public Works of said city :

The property which may be injuriously or beneficially affected by the widening of said Begue street as above described is described as all parcels and lots of land not occupied by streets or alleys lying south of the N. Y. C. & St. L. Railroad, west of Coombs street, north of Wayne street and east of BARMER street:

All of said lots and lands being situated in the city of Fort Wayne, Allen County, Indiana:

Adopted this ^{5th} ~~1st~~ day of March, 1900.

THE GLOBE LEGAL WRAPPER, Patented Feb. 11, 1890. FIRST QUALITY.

DIRECTIONS—Elevate the metal points—attach the manuscript—then bend the point down flat—dampen the gummed flap and stick it down—this fastens the papers and hides the metal.
